BEST WISHES, MR. FARMER!

Members of the annual staff of CHS wish to pay tribute to Mr. A.B. Farmer, who is retiring from the teaching profession.

Mr. Farmer, a native of Halifax County and later a resident of Pittsylvania County, was graduated from the secondary school at Ringgold, Virginia, and attended Hargrave Military Academy at Chatham, Virginia. He was graduated from VPI with a BS degree in Agronomy, and the following year he received a Master of Science degree in Agriculture Education from the same institution. Later he also received a Master of Science degree in Agronomy from Iowa State University.

Mr. Farmer's first teaching position was in Courtland, Virginia, where he taught agriculture and coached football. In the fall of 1938 Mr. Farmer came to CHS as instructor of agriculture and sponsor of the FFA. During the war years he was responsible for adult classes in farm machinery and food preservation. At that time the Chillhowie Cannery was opened, and Mr. Farmer took over its management.

Mr. Farmer has been active in church and community affairs, serving two terms on the Town Council.

The students and faculty will miss Mr. Farmer with his calm, dignified manner, his high sense of values, his humor, his Eastern Virginia accent. "Ah, shux, Mr. Farmer, we do declare, we shall miss you!" Best wishes for a happy retirement!

Mr. A.B. Farmer gives instructions to a student, J.R. McClure.

Teachers watch a movie and listen to an accompanying recording about life at CHS, made by Professor George A. Smalling of Emory & Henry College.

CLASS OF 1968

MOTTO: Non est vivere est valere vita. (Not merely to exist, but to amount to something in life.)

COLORS: Blue and White
FLOWER: White Rose

The 1967-68 Senior Class of Chilhowie High School was a very busy one with many varied activities. The year was kicked off with a very successful magazine drive, followed by a "Powder-Puff" football game, featuring the male members as cheerleaders. Excitement and pride were exhibited when the class rings

finally arrived. However, many serious moments were observed too, such as talks with Mr. Herbert Bell, Counselor for the Mid-Appalachia College Council, Inc., concerning various scholarships, grants and loans. The year ended with a magnificent tour of our own State followed by . . . GRADUATION.

CLASSES

Chilhowie High School offers a variety of subjects in four courses, academic, general, commercial, and vocational. Exploratory classes provide an opportunity for eighth grade students to discover their interest in home economics and agriculture. During the 1967-68 session girls were enrolled in an agriculture class and for the first time were members of the F.F.A.

Many types of visual aids and field trips supplement and enhance class instruction, providing to students a variety of learning experiences.

Miss Love instructs Linda Childers in Algebra II class.

Eighth-graders develop sewing skills in Exploratory Home Economics.

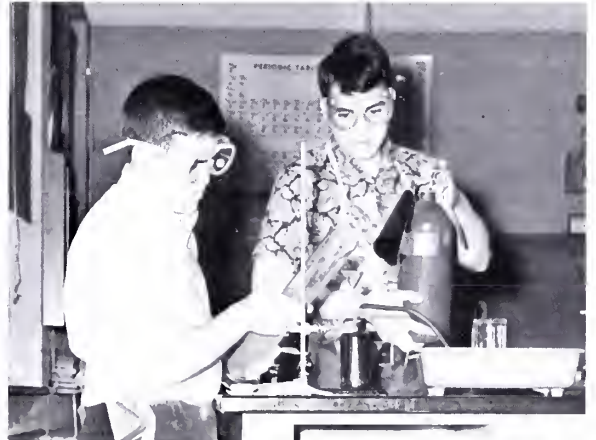

Learning to prepare food is an important part in home economics classes.

Track and field are introduced to girls' physical education classes.

Map study is an important part of history classes.

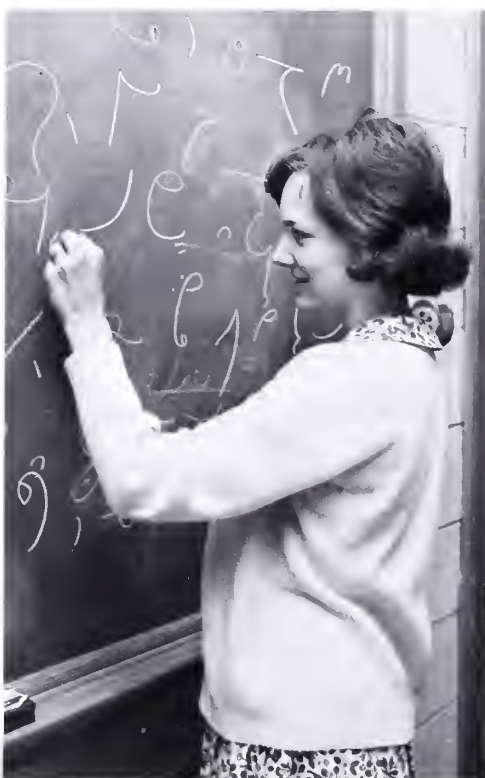

Mrs. Cleve Compton uses the controlled reader in one of the developmental reading classes.

Students get practical training in Typing I class.

Students in General Business learn how to fill out income tax forms.

Miss Lucille Sword gives individual help in an Office Procedures Class.

Mr. A. B. Farmer instructs eighth grade boys' Exploratory Agriculture.

Boys in a physical education class participate in a game of football.

Michael Byrd demonstrates the use of an electronic microscope in a Biology Class.

An Eighth Grade math class listen as their teacher compliments their bulletin board.

Members of the chorus work diligently to learn new songs.

Members of the physics class experiment with the mirror formula.

Mr. Arnold Mellinger demonstrates a safe-driving practice to members of a driver education class.

Three Senior girls enact in class as scene from Macbeth.

A Senior English class plays "What's My Line?" in studying The Canterbury Tales.

George Fields points to a particular place of study in Global Geography class.

Trigonometry students learn to make use of the slide rule.

Ronnie Richardson and Bobby Hicks dissect a starfish in a biology class.

Plays are presented as projects in American History classes.

Warrior Captains, Mike D. Blevins and David Ellison, kindle school spirit by hanging a Trojan dummy.

from Camp Broadstone to the "Battle field."

The 1967-68 Warrior Football Team ended the Season with a record of five wins and five losses. The team had its bright spots along with some dark spots due to inexperience caused by the loss of nine Seniors from the previous year. Although the team did not have a winning season, each member displayed a great deal of hustle and desire throughout the ten-game schedule.

Although the 1968-69 team will lose eight '68 Seniors, it should be able to look forward to a very successful year with the return of several other lettermen.

BASKETBALL team rolled past Marion . . .

The 1967-68 Warrior Basketball team had one of the most successful seasons in the history of the school, finishing the season as one of the top nine Group II basketball-playing schools in Virginia. The Warriors won nine of their last ten games for a season record of 15-7. Highlights of the season included defeating previously unbeaten Marion (17-0) by 68-60; defeating John Battle twice, the final time to win the district Six championship title; and a trip to the State Group II Tournament at Blacksburg, where they met the William Campbell Generals.

Warrior fans encourage the team to victory over Marion.

Build a Better Mousetrap

... and the world will make a beaten path to your door.

It happens all the time in our country. People with imagination and ambition can expect to be rewarded. Each of us has the opportunity to fulfill our dreams ... to get ahead by building a better mousetrap.

In America profit and honor are rewards to those who make significant contributions to our way of life. This is because we believe in Free Enterprise, the economic system that has given us the highest standard of living in the world today.
